Title of Submission:	Future policing in Ireland
Comments:	<p>I have felt for quite some time that An Garda Siochana should permit entry to officers of ALL RANKS from outside police forces.</p> <p>I feel that the present restriction should be abolished, as by doing so, it would assist the MUCH NEEDED reform of the force.</p> <p>At present I believe that the absence of any entry route for experienced Police Officers, Detective Sergeants and Inspectors - especially from within the PSNI - is curtailing best changes within the Garda Siochana.</p>
