Comments:	<p>Hi I would like to suggest that clerical/admin staff be employed to work in The Gardai Stations to deal with Enquiries, answer the phones, stamping of forms and administration work that is not 'sensitive' but could be done by civilians rather than Gardai Personnel at the desk where they could be better utilised and deployed to be out in the communities, in the patrol cars etc.</p> <p>Also I would like to see an end to Gardai be used as security for retired politicians and presidents a complete waste of a gardai's training and use a private security or army personnel but not a overstretched valuable Garda.</p> <p>Thank you for reading my submission and considering them.</p> <p>██████████</p>
